English

Verse 1

I need your Holy Spirit to change me now
I need your blood o Jesus to cleanse me now

Pre-chorus

When I come into Your presence
My name's on the palms of Your hands
Broken will be the bondage
You set me free

Chorus

Empower me in my weakness
Comfort me in my sadness
Remove from me my sinfulness
You have all power over me
I need to see Your glory
Your love and Your compassion is all I need
