English

Verse 1

Lord, You are my light
You're the refuge of my life
Lord, You are worthy, You are mighty
My tower, my strength

Verse 2

Lord, You are my guide
You're the comfort of my life
Lord, You're my saviour, my redeemer
My shepherd, my shield

Pre-Chorus

Lift your head, no longer in chains
Lay them down, even the blind can see
Oppression into freedom
Your kingdom will reign

Chorus

I long to dwell in Your house forever
I will give up my all to seek Your face
No matter the cost, I'll follow Your ways
A sacrifice for all my days
